Dear Sponsors,

The 17th annual ACTS Combat Rifle Championship was an event to remember. Thanks to great sponsors like you, we had an amazing turn out and we expect to max out attendance in 2023!! As always, we're expecting this season's match to provide an exciting time for competitors, spectators, and members of the industry.

Support of the American Confederation of Tactical Shooters Combat Rifle Championship 2-gun matches is unparalleled, and is greatly appreciated by all. I hope you will consider displaying and advertising your products with us by becoming an ACTS sponsor.

This year we are, again, upping the ante for our sponsors. We are constantly looking for more ways to thank and give back to our sponsors and this season will be better than ever. Moving forward, instead of just sponsoring CRC, we are offering ACTS annual sponsorships. This means that while the Combat Rifle Championship match is still the main event, instead of just promoting sponsors via CRC we will instead be promoting you all throughout the 2022-23 season to provide our generous sponsors with maximum exposure and return for your generosity.

There are several sponsorship levels available for every level of commitment which are summarized in the following pages. Please consider your desired sponsorship commitment, fill those pages out accordingly, and submit them to us as soon as you are able.

Thank you for your time and consideration. As always, we look forward to promoting your organization by making you a part of this incredible event. For more information about ACTS and the Combat Rifle Championship please visit actsshooters.com. I look forward to speaking with you again soon and making you a part of the ACTS experience.

Sincerely,

Brad Adcock
